BLOCK ONE - 8 HST's

USE:

- **4 squares of FABRIC A**
- **4 squares of FABRIC F**

1. Place one square of FABRIC A and one square of FABRIC F right sides together.
2. Draw a diagonal line across one square and sew a quarter inch on either side of the line.
3. Cut along the line. This will yield two half square triangles.
4. Press towards the darker fabric.

Repeat with remaining pieces for a total of 8 HST's.

BLOCK TWO - 8 HST's

USE:

- **4 squares of FABRIC A**
- **4 squares of FABRIC E**

1. Place one square of FABRIC A and one square of FABRIC E right sides together.
2. Draw a diagonal line across one square and sew a quarter inch on either side of the line.
3. Cut along the line. This will yield two half square triangles.
4. Press towards the darker fabric.

Repeat with remaining pieces. This will yield 8 HST's.

Repeat with remaining pieces. This will yield 8 HST's.

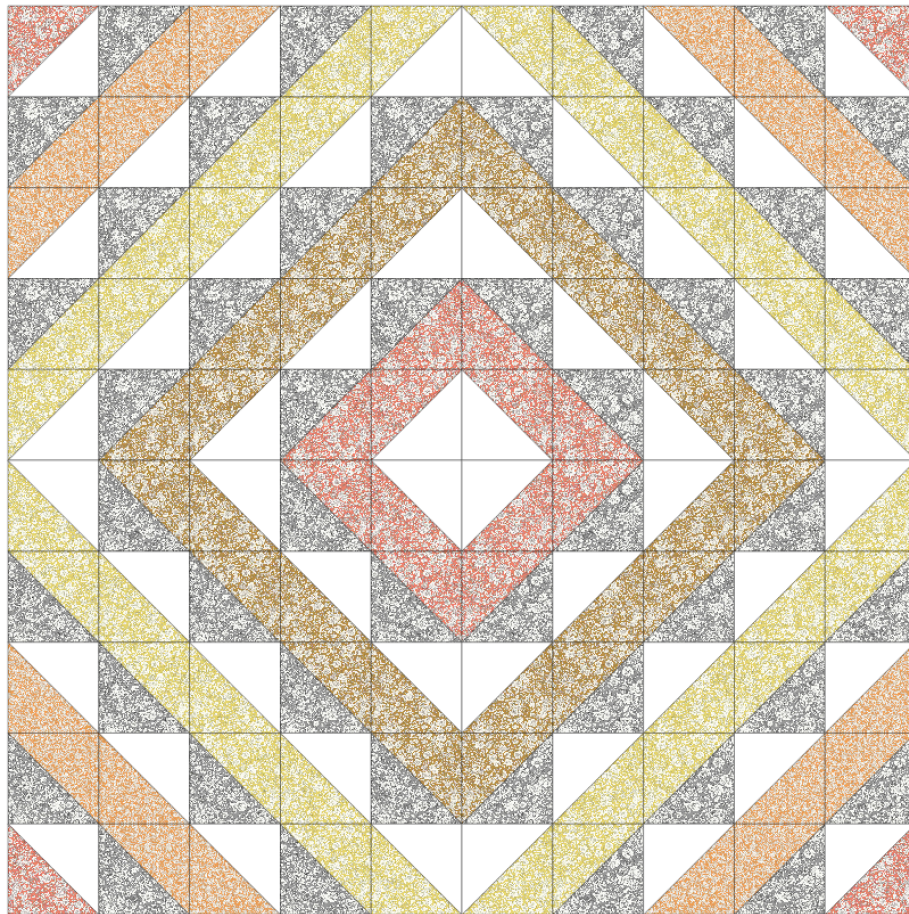

ASSEMBLE THE QUILT

Now we're ready to assemble the quilt! Before you start sewing the blocks together, you might want to double-check their size and trim if needed.

NOTE: Our blocks measured **10" × 10" (unfinished)**, they were pretty consistent so we didn't trim them. Our quilt measures **96" × 96"**.

- If you **trim the blocks to 9 $\frac{3}{4}$ " × 9 $\frac{3}{4}$ " (unfinished)** your quilt will measure **93.5" × 93.5"**.
- If you **trim the blocks to 9 $\frac{1}{2}$ " × 9 $\frac{1}{2}$ " (unfinished)** your quilt will measure **91" × 91"**.

Arrange the blocks as shown in the image below.

1. Sew the blocks together into rows.
2. Press the seams to the right in the first row and to the left in the second row. Alternate like this for the remaining rows.
3. Sew the rows together to complete the quilt top.
4. Add borders if you wish.

5. Quilt and bind to finish.
